

COZZINI BROS
NATIONWIDE SHARPENING

Experience the Cozzini Difference

THE QUICK & EASY WAY TO SHARP KNIVES

Remove the guess work from sharpening your critical knives and ancillary slicing blades. It's a fact that the risk of injury goes up with do-it-yourself sharpening. Our Exchange Program is an easy way to increase employee safety. Call today or visit our website for your free trial. It's as easy as 1-2-3!

1

**Schedule
is created**

2

**Dull knives
are picked up**

3

**Sharp knives
are delivered**

COZZINI'S HERE!

Our Exchange Program

Designed for commercial kitchens, restaurants and supermarkets. By signing up for a free trial, you'll find out how easy your life can be! Sharp knives and sharp blades will be delivered to you on a regular schedule.

Program Details

- ✓ A knowledgeable Cozzini representative will assist you in creating a cutlery service package to meet the needs of your kitchen
- ✓ While one package of knives are in use at your location, a second package of knives is at the Cozzini facility being sharpened
- ✓ Knife exchange is on a predetermined schedule, typically every two weeks
- ✓ Your Cozzini route salesperson will pick up your used knives and leave your replacement set
- ✓ Your Cozzini route salesperson captures an electronic signature to validate the delivery, then leaves a receipt
- ✓ Ask your Cozzini route salesperson about bundling other critical kitchen services with your Cozzini exchange program

Other Sharpening Services

Cozzini offers sharpening and exchange solutions for all of the blades you use in your daily food preparation. We can customize our service by your departments, location or region.

- ✓ Slicer Blades
- ✓ Can Opener Blades; Cast Iron/ Stainless
- ✓ Grinding Plates/ Knives
- ✓ Food Processor Blades
- ✓ Food Processor Blades (Hobart, Nemco, Robot Coupe, etc.)
- ✓ Floral Stem Cutters

Cozzini Bros. offers a wide array of products to meet your restaurant needs including custom cutting boards, knife racks, sharpening steels and other foodservice supplies. We can replenish them automatically or you can purchase them as needed.
